TK's SIDE OF THE STORY

Whether in the company of presidents or dignitaries, celebrities or royalty, TK has perfected the art of performing the unexpected and twisting it into a triumph.

Thomas Kramer is a larger-than-life personality who has conquered Wall Street, given life to South Pointe and Star Island in Miami Beach, and cultivated a lifestyle that has set a new standard in luxury living all over the globe.

Along the way, TK has earned and lost fortunes, made both friends and enemies, and, of course, hosted the most talked about events and parties!

After experiencing a “total burnout”, TK turned his life around by ending all alcohol consumption and beginning a self-cleansing process.

The original TK is BACK, BETTER than ever and wants to help YOU rise from the ashes and change YOUR life!

As he once said:

***“I’m a **doer**.
If I want something,
I’ll do it.”***
